### Skills and Attributes

Coach Greg Beall states, "Emma is an exceptional player who has grown greatly over each of the past five years I have coached and/or watched her. Always a player full of tremendous energy and drive, Emma works diligently to improve her individual skill sets as well as her tactical understanding of the game. As a freshman, she quickly moved to varsity and was starting over several seniors before the end of the season. I expect big things from her in our program over the next three years". Emma is competitive, a natural leader, and has a great work-ethic and character. She is a versatile player who has good athleticism. She has excellent footwork, good mobility and speed and is technically superior and has great touch with the ball. Emma has a wonderful attitude and is very coachable. She has a passion for the game and when she is on the field nothing on the outside matters. She has superior quickness and speed and is very creative with the ball. She is goal oriented and a student of the game always inquiring about tactical situations and options then brings these tactics immediately into the game. Emma is a disciplined multi talented student/athlete who excels in the classroom and in sports. She exhibits poise and confidence on and off the playing field. Emma has many fine qualities; she is punctual, responsible, enthusiastic, honest, fearless and tireless. Emma motivates all of those who come in contact with her. Emma's combination of aggressiveness and intelligent play make her a viable prospect at the next level. Emma will make an excellent addition to any Soccer program that values talent, hard work and integrity.
